

# Pediatric Dentistry

Dr. Laleh Vakili, D.M.D

## Your Child's First Dental Visit

- Check the oral health of your child.
- Start a record of oral health history.
- Discuss positive oral hygiene habits.
- Provide anticipatory guidance on growth and development.
- Expose child to the dental environment and build a positive experience.
- How to prepare for your child's first visit:**  
Make sure your child is well rested on the day of the appointment, discuss their visit with them, stay positive, read a book about visiting the dentist.

Scan this QR code to find some of Pediatric Dentistry's favorite kid friendly books to help prepare for your child's first dental visit.

Please call 650-372-9292 for any additional questions.
